

Chichibu and Nagatoro - 2 Days
Cherry Blossoms in early April
Wisteria and Phlox in late April

Hitsujiyama Park is located in Chichibu, and is only two hours from Tokyo. It is one of the most popular sites in spring. With the green Chichibu landscape in the background, the beautiful spring floral paradise of the park seems to come right out of a postcard. Further north, the small town of Nagatoro, known for its gorges, has been selected as one of Japan's 100 most famous places for its 3,000 cherry blossoms.

Recommended travel:

Those going to see the sakura of Hitsujiyama Park in early April, can also enjoy those of Nagatoro. Those going to see the fields of Phlox of Hitsujiyama Park in mid-late April, can also enjoy some species of late cherry trees as well as the wisteria flowers of Nagatoro.

Day 1: Tokyo/Chichibu/Nagatoro

Depart Ikebukuro Station for Seibu-Chichibu around 9:00am.
(Duration: about 1 hour and 25 minutes).

***Chichibu** is a town in Saitama Prefecture known for its impressive landscapes and beautiful nature, including mountains that offer many hiking opportunities. Just 90 minutes by train from central Tokyo, Chichibu attracts many visitors who wish to escape the hustle and bustle of the metropolis.*
