

Club Med Kabira Ishigaki

Dive and discover the wildlife of Okinawa Island

Bringing Ishigaki to You

Experience the vibrant side of Ishigaki through Club Med. Situated on a protected marine park on the coast of Ishigaki Island, this pristine Okinawa travel destination has had one of the most diverse histories out of all the prefectures in Japan. Okinawans' emphasis on mindful eating and active lifestyle has led them to a happy and healthy way of life; at Club Med, we tailor our offer to let you experience the unique Ishigaki lifestyle. Discover stunning nature, where you can dive into crystal blue seas for endless activities like windsurfing, kayaking, paddling, or go scuba diving with majestic manta rays. Walk along fine sandy beaches, or cycle with a view on the island's hilly mountain – the highest in Okinawa. Uncover the blended culture of this enriching locale with our daily curation of Okinawan specialties or traditional dance lessons. Embrace the pace of island life with our pop-up beach lounge where you can unwind to the sound of sanshin at sunset. Explore our natural haven and return home fresh and rejuvenated.

Accommodation

The concept: Soak up the bright colors and Zen atmosphere

The Okinawa archipelago holds the world record for life expectancy. At its southern tip is the island of Ishigaki. The 12 three story buildings of the Resort sit between tropical forest and white sand beaches. Their square shapes, wooden balconies and sloping tiled roofs are typical of local styles.
